

CFP: Places & Spaces: Mapping Science exhibit

The *Places & Spaces* exhibit invites the showcase of interactive visualization. The “Macroscopic Phase” of the exhibit is devoted to tools that demonstrate the power of data analysis and visualization techniques, empower individuals to make their own science maps, and help improve data visualization literacy globally.

More details: <http://cstms.berkeley.edu/blog/2015/11/14/call-for-participation-in-macroscopic-tools-for-the-places-spaces-mapping-science-exhibit-2016/>

Each entry must be **submitted by February 29, 2016.**
